

## Application for Employment

I give American/Pacific Pool Service permission to investigate my standing by obtaining a credit report and / or background check. If they deem it necessary. They may do so by their own means or by directly contacting others who have this information. "Others" might be referred to ones who can verify past employments. Upon my request, American/Pacific Pool Service will tell me if a credit report and / or background check was necessary, and will provide me with the credit bureau's contact information from which my history was obtained.
